Regular Season Tiebreakers

2 Team Tiebreaker - First head-to-head (HTH) record, then best runs against average (RAA) in (HTH) games if teams split. If teams did not play in regular season, then best (RAA) for full regular season.

3 (or more) Team Tiebreaker - Teams seeded by best runs against average (RAA) in full regular season lowest (RAA) to highest (RAA).

If runs against average (RAA) is identical, league considers greatest strength of win, lastly strength of schedule.

GHVBL Playoff Eligibility

Teams must play a minimum # of games for playoff eligibility. Minimum 6 decisions (Spring & Fall) & 8 decisions (Summer). Eligible teams are welcome to participate in single elimination Playoff Tournament.

In only the rarest of occasions, league may consider exceptions to game minimum - depending on extreme circumstances out of teams control.

Playoff seeding based on SEED POINTS EARNED. A team record, winning percentage, etc. are NOT factored into seeding. First 12 decisions (Spring & Fall) & 16 decisions (Summer) earn seed points.
